NUNAVIK STUDENT MANGA (WEBSITE, AI) – ACTIVITY

PERSEVERANCE MANGA AVATAR GENERATOR

1. Navigation

- The website has a clean header at the top of every page
- Title "Nunavik Student Manga" appears in the top left
- Two main sections accessible via tabs:
 - Manga Generator (for creating avatars)
 - Nunavik Gallery (for viewing all student creations)

2. Manga Generator

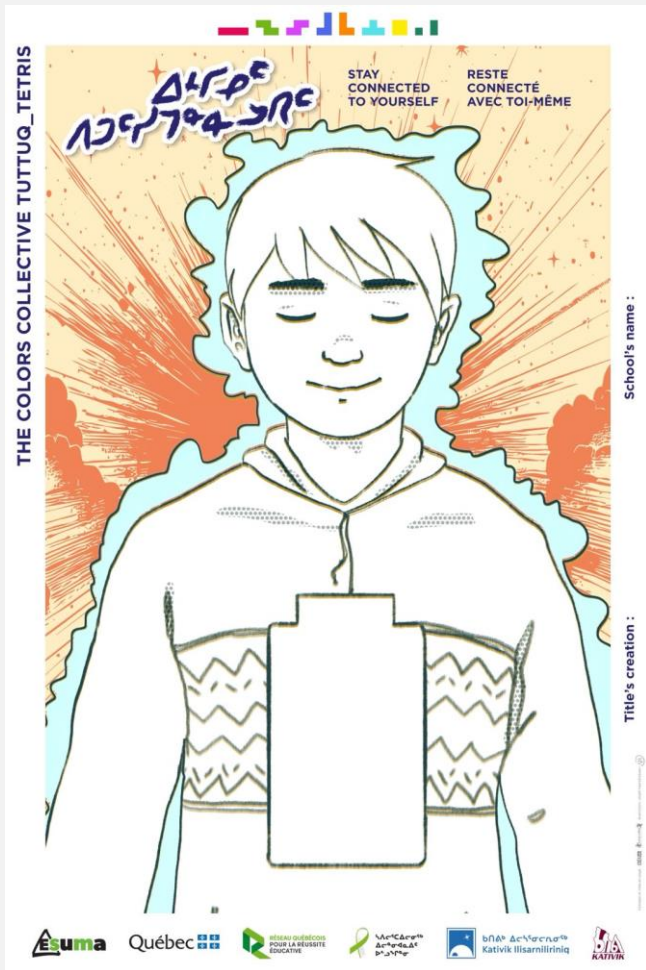

This is where students create their personal manga avatar using an AI-powered system:

Basic Information:

- School selection (dropdown menu with Nunavik schools)
- Grade selection (dropdown menu)
- Student name (text input)

The screenshot shows the 'Manga Generator' form. At the top, there are two tabs: 'Manga Generator' (active) and 'Nunavik Gallery'. The form includes a 'Select School' dropdown menu, a 'Select Grade' dropdown menu, and a 'Student Name' text input field. Below these is a 'Gender' section with 'Male' and 'Female' buttons. The 'Hair Color' section features a row of color swatches: brown, white, black, red, pink, blue, green, purple, and yellow. A text area labeled 'Describe your superpower:' contains the placeholder text 'Enter your superpower description here...'. A 'Generate' button is located at the bottom of the form.

The screenshot shows the 'Manga Generator' form with a list of generated avatars. The header shows 'Nunavik Student Manga' and two tabs: 'Manga Generator' and 'Nunavik Gallery' (active). The list of avatars is displayed in a scrollable container. The first avatar is for 'Inukjuak' in 'Grade 7', showing two student avatars labeled 'Student 1' and 'Student 2'. Below this, there are options for 'Grade 8' and 'Kuujuaq', each with a right-pointing arrow indicating further options.
