

NPS OPERATIONS

August to October 2024

Mixed Investigation Team Operations

August to October 2024

Drugs and Alcohol seizures

- On August 15 2024, at Kuujuaq airport, the team intercepted and arrested a passenger en route to Kangirsuk for possession for the purpose of trafficking. While searching the suitcase, police officers seized 80 grams of crack, one cellphone, and two bottles of Smirnoff Vodka.
- On September 19 2024, in Montreal, the SQ Contraband, unit in partnership with the NPS and the SPVM, executed search warrants regarding a network of suppliers of crack and alcohol for Nunavik. Search warrants were executed at three residences and two vehicles. Police officers seized crack, cash, equipment for drug sales, and various bank cards.

Mixed Intervention Unit Operations

August to October 2024

Drugs and Alcohol seizures

- On September 26 2024, In Kuujjuaq, the team executed four search warrants regarding people involved in crack trafficking in the community. Police officers seized cocaine, cash, and a vehicle. Three suspects were arrested.
- On October 24 2024, in Montreal, the SPVM, in collaboration with the NPS, executed search warrants related to crack trafficking at a residence and a vehicle. Two individuals from Montreal and one from Kuujjuaq were arrested of possession for the purpose of trafficking. They were selling crack to Inuit in Dorval area and shipping drugs in Nunavik. Police officers seized crack, cash and a vehicle.
