

JOB OFFER

Heavy Equipment Operator Class 3 (Mine Transport)

TEMPORARY LONG-TERM UNIONIZED POSITION	POSITION TO FILL 3	Code MI24-01
HOURLY RATE 40,07\$	DEADLINE TO APPLY JANUARY 25, 2024	
The work location is at Nunavik and the normal work schedule is on a rotation of 6 weeks: 3 weeks worked (77 hours per week, 7 days a week) followed by 3 weeks for rest.		

PRIVILEGES & BENEFITS

- Competitive salary including bonuses and a full range of benefits (group insurance, generous pension plan, telemedicine, EFAP, etc.).
- Learning and coaching opportunities.
- A friendly, committed and collaborative work environment.

FUTURE CHALLENGES

Reporting to the Pit Supervisor, the Heavy Equipment Operator 3, primarily a truck driver, will also occasionally be required to operate the heavy machinery used at the mine.

- He carries out his tasks while adhering to current safety standards (road safety and health and safety).
- He is responsible for inspecting his equipment before and after his shift.
- If necessary, he performs any other tasks requested by his supervisor.

PROFILE REQUIRED

- Having Have worked at least 2000 hours as a heavy machinery operator.
- Must be capable of operating at least 2 of the following equipment: Loader 966, compact loader, dozer D3 and D6, an articulated dump truck 35T, a 40T mine truck, a 75T mine truck.
- Possession of a general explosives permit is mandatory.
- Has successfully completed a heavy equipment course or has experience deemed equivalent.
- Due to frequent interactions with English-speaking team members, bilingualism (French/English) is an asset to facilitate and enhance our internal communications.

SKILLS SOUGHT

- Working within a diverse and multicultural team.
- Demonstrating autonomy, dynamism, positivity, respect, teamwork, and versatility.
- Having the ability to work under pressure while maintaining good interpersonal relationships.
