

OFFRE D'EMPLOI

Underground Services Miner

PERMANENT POSITION	REFERENCE MI24-03
HOURLY RATE : 37,63 \$	DEADLINE FOR APPLICATION : FEBRUARY 13, 2023

This posting is intended exclusively for Mining Group employees, as part of the underground transition.

You will have the following main responsibilities:

- Carry out tasks in accordance with current safety standards (road safety, health and safety);
- Inspect equipment before and after your shift;
- Responsible for lowering equipment and maintaining underground inventories; refueling various equipment; maintaining good order in various underground locations;
- If necessary, be available to provide assistance or training to perform any other task required by the supervisor, including operating a production truck.

Requirements :

- CRI seniority;
- Transferable equivalent skills.

If your application is selected, a CRI-supported training program will be offered as part of this transition.
