

JOB OFFER

ROCK MECHANICS ENGINEER

PERMANENT POSITION	POSITION TO FILL 1	Code IN23-14
The place of work is in Nunavik	DEADLINE TO APPLY NOVEMBER 10, 2023	
The normal work schedule is on a rotation of 4 weeks: 2 weeks worked (77 hours per week, 7 days a week) followed by 2 weeks of rest.		

PRIVILEGES & BENEFITS

- Competitive salary including bonuses and a full range of benefits (group insurance, generous pension plan, telemedicine, EFAP, etc.).
- Learning and coaching opportunities.
- A friendly, committed and collaborative work environment.

RESPONSIBILITIES

Reporting to the Chief Production Engineer, the rock mechanics engineer will collaborate with various departments at the mining site to provide technical support related to rock mechanics in underground mines and operating pits. The candidate will be responsible for performing field support and instrumentation tasks. They will ensure the department's objectives are met while prioritizing safety and health in their activities. Additionally, they should be capable of performing the following tasks:

- Implementing and updating the field control program.
- Monitoring instrumentation in the mines to ensure stability.
- Conducting field control inspections in underground mines and pits.
- Managing communications with external rock mechanics consultants for our ongoing and future projects.
- Preparing and updating field support quotations.
- Designing rehabilitation plans and additional support necessary for excavation stability.
- Being responsible for the regular updating of the field control registry for each mine.
- Any other tasks deemed necessary by their supervisor.

QUALIFICATIONS

- Bachelor's degree in mining engineering or Geological Engineering.
- Be a member of the OIQ ((Ordre des ingénieurs du Québec).
- Hold a minimum of 2 years of job-related experience.
- Having experience in the production of nickel and platinum magmatic deposits is a good asset.
- Good knowledge of Ms Office suite, Deswik.
- FMTM 1-2-3-4-5-7.
- Valid driver's license.

ASSETS

- Bilingual (French and English).

PROFILE

- Work with a diverse and multicultural team.
- Autonomy, dynamism, positivity, respect, team spirit and versatility.
- Ability to work under pressure and maintain good interpersonal relationships.
