

# **PUBLIC NOTICE – WATER SAFETY ALERT**

## **UMIUJAQ – NORTH RIVER CONTAMINATION**

Water test results shows **E. coli** and **fecal contamination** in the water near the **bridge** along the **North River**.

Levels of **E. coli** in the water pose a **significant health risk**. **For your health and safety**, please take precautions:

- **DO NOT DRINK THE WATER**

This water is **not safe for consumption**. **Boiling will not make it safe**.

- **DO NOT SWIM**

The water is **contaminated**. **Avoid contact**. Swimming may cause **illness**.

- **DO NOT CATCH OR EAT FISH FROM THIS RIVER**

If you have concerns, call the **Umiujaq Town Office** at **819-331-7000**, or the **KRG Municipal Public Works Department** at **819-964-2961**.

We continue to monitor the water. We will let the community know as the situation changes. Thank you for your cooperation.
